

Alejandro Isa Adaniya

BSc. Computer Science

BSc. focused in Computer Science from Memorial University of Newfoundland. Strong interpersonal skills with interests in Graphical User Interface development, User Interface Design and User Experience Design. Experienced Microsoft Office user and always open to learning and participating in new ideas and projects. Very task oriented and capable of working independently and in a team effectively. One of my biggest rewards is fulfilling and exceeding user expectations when it comes to design and execution of tasks.

Hobbies

Travelling - I enjoy travelling with friends and by myself. I like travelling without a schedule and seeing where it takes me. All part of the adventure!

Playing Music - I LOVE playing guitar and trying to learn new instruments during my free time, it provides me with a moment to relax and take stress away. I like when music tells a story or I'm able to relate to the song.

Video games - Playing video games gives me some time to bond with friends and enjoy some friendly competitive gaming as well. I have met tons of people by playing video games online and it has given me connections around the world.

Sports - I mostly enjoy playing soccer with friends as I can exercise and have fun at the same time.

Certifications

2011	International Baccalaureate Diploma
2007	FCE (Cambridge's First Certificate in English)
2005	PET (Cambridge's Preliminary English Test)
